DecadesDenim
Denim With A Past

DecadesDenim
denim with a past

She walks in like she owns the room.

DecadesDenim
denim with a past

Truth is, in some ways, she does.

DecadesDenim
denim with a past

Forget that little girl act.
Even a fool can see the truth.

DecadesDenim
denim with a past

She finds it simple – old fashioned and over-rated.

DecadesDenim
denim with a past

She simply is whoever she claims to be.
That's more than enough.

DecadesDenim
denim with a past

If she must, she'll dance to her lies.

DecadesDenim
denim with a past

Apologies die, unwanted,
unnecessary and unaccepted.
